

		X		
		PASSION INDEX		
		0 TO 2	3 TO 5	6 TO 10
		Y	0 1	<p>HOPELESS Run...the other way! A relationship between the two would be as cold, passionless, and dull as one with a stone. Forget about it.</p>
2	<p>FULL OF DIFFICULTIES If together, you two would likely lack both compatibility and passion. In any case, it's likely that neither of you is even interested in trying, or would give up soon after starting.</p>		<p>MUTUALLY REPELLENT You two have nearly no compatibilities, and yet there's a moderate amount of potential passion, which can lead you to feel repelled by this person who is so obviously wrong for you.</p>	<p>STORMY You have the potential for a very passionate relationship, but the lack of compatibility means it will likely to be full of ups and downs.</p>
3	<p>AT ODDS You are different enough that it is likely that the two of you will have very different ideas about how the relationship should be, with little passion drawing you together.</p>		<p>DIFFICULT TO DIAGNOSE It's difficult to predict how a relationship between the two of you would turn out, though it would be wise not to be overly optimistic given the low level of compatibility between you two.</p>	<p>UNPREDICTABLE You two are likely to have a great deal of passionate attraction, but weak compatibility makes it difficult to predict what's going to happen next in your relationship.</p>
4	<p>A FIGHTING CHANCE Though there's little chance of strong passion between you, there's at least some chance of having a satisfying relationship. Just don't expect any fireworks.</p>		<p>WORTH A TRY You two have a just slightly d better than average level of compatibility and potential passion. That means you have a decent chance of creating a successful relationship.</p>	<p>GO FOR IT While you two are only moderately compatible, there is a strong potential for passion. It may not last forever, but a relationship might be quite satisfying for both of you.</p>
5	<p>GOOD PROSPECTS The chances for things working out between the two of you in a relationship are quite good, even if it might be somewhat lacking in passion.</p>		<p>SMOOTH SAILING In both compatibility and the potential for passion, things look quite good for the two of you. Things should work out well if you get together.</p>	<p>BRIGHT FUTURE You two would make a very good couple, with a relationship of healthy passion and few compatibility conflicts.</p>
6	<p>POETIC LOVE You two would likely enjoy a very beautiful, but mostly chaste, relationship—a love like a romantic poet might write about.</p>		<p>SWEET ROMANCE A relationship between the two of you would most likely be a very beautiful thing, as you are a very good match for each other.</p>	<p>GREAT TOGETHER You two would be the type of couple so good together that it's obvious even to strangers. You seem to understand each other intuitively—and have incredible chemistry.</p>
7 8 9 10	<p>OLD LOVE You two are perfect for each other in terms of compatibility, but are likely to lack passion. Together, you would probably be like an old couple, or like two best friends.</p>		<p>PERFECT COUPLE You two are match made in heaven. If you're not together, you should be. If you're already with someone else, you might have missed out on the romance of the century...</p>	<p>UNSTOPPABLE You two are not only extremely compatible, but have a very high potential for passion. If together, you would be loathe to let anyone, or anything, get in the way of being with each other.</p>
